MORE SILVER??? ACBL has in place a regulation that until the end of 2022 all events at regionals and sectionals benefit from a 20% bonus in Masterpoints. Also, the second session of Friday and Saturday is (at NO EXTRA COST) regionally rated (roughly the same amount of MPs as in a regional). This generally means at least 30% more MPs *on top of the 20% bonus*. Bonus on top of Bonus! And with 3 flights in play, the awards at the top are higher still! The difference could reach more than 100% (depending on attendance)!

GRADUATED FROM THE GOLD RUSH? We have a **new event**, especially for you! The 999ers SILVER RUSH includes both upcoming players and former Gold Rush-eligible players, so you can compete with your peers again! And the slightly higher limit means more masterpoints also!

299ers, SPECIAL PRIZE! All players with less than 300 MPs that participate in 3 or more sessions will win an invitation for a group coaching session online (2 hours) about PARTNERSHIP in BRIDGE, hosted by WBF Chief TD Rui Marques and World Champion Connie Goldberg. Play, have fun, win, progress!
